

## The Expats Guide to Living and Working in Saudi Arabia - 2012 Edition

The Saudi Arabia Expat Guide is written by local experts specifically for people moving to Saudi Arabia and expats that have recently arrived. Our goal is to provide you with accurate information to make your transition more successful and less stressful. This concise, relevant guide contains information on: - Accommodation how to find compounds, which areas to choose, lease negotiating- Culture Shock dealing with religion, what to expect from local people and other expats- Doing Business a guide to etiquette and local business practices- Banking, Money and Taxes how to open an account, how tax works- Cost of Living an up-to-date guide to everyday prices, including a basket of goods- Pros & Cons local views on the ups and downs on expat life- Healthcare hospitals, clinics and medical insurance issues- Religion living in an Islamic country- Working employers, permits and visas- Useful Facts including Weather and Embassies- Education and Schools where to send your children to school- Shipping and Removals Use this Saudi Arabia Expat Guide to find the answers to questions you have about organising housing, finding the right school for your little one, negotiating your contract and making that all-important first friend. After all, the right kind of preparation is paramount to a successful move.
