

## Art Glass Panel Designs One - 18 Patterns for Stained Glass, Mosaic & Fused Glass (No. 1)

Art Glass Panel Designs One from Wardell Publications featuring designs for stained glass, fused glass and mosaic applications. This multi tasking book provides 18 art glass designs including birds, flowers, geometric, southwest and oceanscape motifs. Each of these designs is shown in color, accompanied with 4 illustrations revealing alternative shapes and configurations. But the innovation does not stop there. The 7 page instruction section includes headings such as, Customizing Your Patterns, Color Decisions, Pattern Making and Pattern Enlarging, 5 methods. Plus crafters are offered basic training on using the designs for fused glass applications as well as systematic instruction for traditional mosaic assembly techniques. Clear directions, step by step photographs, and a variety of alternatives for each design combine to make this book a top value for every glass craft enthusiast, no matter where their interests may be located.
