

## Armonia letal (Spanish Edition)

A los ojos de todo el mundo, los Thorpe eran la pareja perfecta: jóvenes, atractivos, totalmente compatibles... Sus vidas se habían cruzado gracias a la ayuda de Eden, una prestigiosa empresa dedicada a la búsqueda de la pareja ideal y que guarda celosamente la fórmula secreta que garantiza el éxito. Sin embargo, a la repentina y misteriosa muerte de los Thorpe le siguen otras, al parecer todas ellas suicidios. A Richard Silver, brillante fundador de la próspera empresa, no le quedará más remedio que permitir al investigador que se encarga del caso, Christopher Lash, el acceso a los secretos de la empresa, que le llevarán a descubrir un asombroso laberinto de inteligencia, genio creativo y tecnología. Pero también, poco a poco, se verá implicado en una trama mucho más personal y peligrosa de lo que Lash jamás hubiera podido imaginar.
