

Cenizas de medianoche (Spanish Edition)

Un día, a la caída de la noche, Clare Roth se ve obligada a huir de su hogar por culpa de una ardiente amenaza venida del mismo infierno. De entre las llamas y las cenizas, emerge un oscuro guerrero, Andreas Reichen, un antiguo amante que ahora se ha convertido en un extraño avido de venganza. Encerrada en su fuego abrasador, Clare no podrá combatir ni su furia salvaje ni el deseo que la atrapa y sumerge en ese mundo de oscuridad eterna y placer infinito. / Claire flees from home due to threats from hell itself. Out of the flames a vampire warrior emerges, Andreas Reichen, and Claire cannot escape his savage fury. Claire can lead Andreas to the enemy he seeks, as for Claire is the woman Andreas shouldn't crave, and the only one he's ever loved. A dangerous seduction begins that blurs the lines between predator and prey.
