

## Daredevil Epic Collection: Brother, Take My Hand

Matt Murdock has done battle with Marvels most maddening villains, but when the Jester enters the fray, the rules change forever. Framing DD for murder, he sets all of New York against the Man Without Fear. The stakes get even higher when Starr Saxon discovers DDs secret identity! Daredevil also faces off against two of Marvels greatest heroes, Captain America and the Black Panther -all the while struggling to rebuild his relationship with the lovely Karen Page. Then comes the Deaths Head, a villain with deep connections to those closest to Daredevil. Its a classic battle that pushes Matt Murdock to reveal his identity to Karen -will it bring them closer together, or force them apart? COLLECTING: VOL. 3; DAREDEVIL (1964) 42-63
