

Get It Girls: A Harlem Girl Lost Novel

WHEN JESSICA JONES AND HER three best friends venture out on prom night, a tragic incident turns a night of high school achievement into a crime scene, and Jessica and her girls are left with bloody hands and shattered futures. After spending years paying off a debt that wasn't theirs, Jessica and her friends return to Harlem to find it changed. Crack is now king and its destruction has left their families in ruin and their neighborhoods consumed by its peddlers. Jessica takes a stand, and her friends are there to back her up in order to preserve their lives, their families, and their Harlem.
