

## Godspeed

Abigail's young life was saved by the kindness of strangers: Schuyler Algernon, the man who found her collapsed on cold city streets, and Quinn Godspeed, the doctor who risked everything by breaking the law to keep her fragile heart beating. As the truth about what she's become and her feelings for her savior overtake her, Abigail is forced to ask what constitutes life, living, and what dark secrets are contained within Godspeed's past and the walls of Schuyler's house.
