

## Philippine Girl

My name is Rose Cuzzion and English of course is not my first language or my second language and I hope you will all forgive any small mistakes I have made within these pages. I know Tagalog, Cebuano, English and just a little Korean and German. I live in a small province not far from the great city of Cebu in the wonderful Philippines. I enjoy sex and mostly practise safe sex. Tales of poor unfortunate girls run riot in what I have read on some blogs and so forth, but for many myself included we know the risks. This is not too be saying we do not enjoy the attention, passion and act of love making. So having worked in hard to get occupations in retail, dancing in bars, dating foreigners and being a freelance girlfriend for sex tourists I would like to share short stories with you, based around some of what I have done or heard from my many girlfriends and girls I have worked with. Maybe I would like to be a writer but only time will tell and if you have comments I would dearly like to see them on amazon so I can get better.
