How much is an act of betrayal worth? Worth the price of a soul? Dhamon Grimwulf and his band of mercenaries greedily eye a long-forgotten treasure concealed beneath a grassy plain. Legends promise riches too numerous to count, wealth too grand to be believed. But in a shifting world of secrets and deception, such fortune comes at a high price, higher even than the searing agony Dhamon suffers under the curse of a dragons scale. High enough to cost Dhamon his life. The paperback version of the sequel to Downfall, the first book of the Dhamon Saga. Betrayal continues the adventures of characters featured in the USA Today bestselling Dragons of a New Age trilogy.
