

Backstage Pass: 10 Things to Consider When Becoming a Touring Music Tech

Have you ever thought about pursuing music for a living but you don't even play a musical instrument? Have you ever wanted to go backstage and be a part of those big concerts at your local arena or stadium? How about working with celebrities, on television shows, or behind the scenes of those red carpet awards shows? Ever wanted to travel the world and get paid for doing it? You may feel like this is a dream job reserved only for those lucky few that know somebody who knows somebody that's in the biz. Or you might assume that you have to have some knowledge of audio engineering or lighting design or need to be a luthier and know how to build guitars. You might even think that you need to know how to play an instrument. If this sounds like you, then you've picked up the right book! Within the pages of *Backstage Pass - 10 Things To Consider When Becoming A Touring Music Tech* you'll learn, in great detail, the most important points on how to get into the music business, how to get your first gig, and how to arm yourself with all of the knowledge to make being a Touring Music Tech a long-lasting career. This book is for people who are ready to take action and live the fast-paced, traveling, music life of their dreams. With my years of experience and knowledge, I share with you the ten most important things that I learned along the way that will set you up for success to make your dream job a reality! Touring Music Techs around the world have used these same guidelines and were not only able to break into the touring music industry, but were able to create long-lasting, sustainable careers that they're proud of. Don't be the one that misses out on big opportunities in life because it seems like starting over, or it seems like hard work, or you're simply unsure of the success you may or may not have. You can be certain that the next person that reads this book and takes action will be on tour

with the many artists that need Touring Music Techs and you'll be left behind. Don't be that person. I promise that after reading this book (and considering the ten nuggets of knowledge to help grow your Touring Music Tech career) not only will you begin to work concerts and entertainment production events in a short amount of time, but you'll find yourself on some of the biggest arena and stadium stages across the globe. You can also work behind the scenes on some of those television shows and music award shows you've always dreamed of being a part of. In the end, you'll be the one that gets to proudly post your travels and experiences on your social media pages. These ten tips are tried and true and are proven to have great results that have changed the lives of many people. Each chapter will give you insight on how to take control of your life, get out there on tour, see the world, and get paid for doing it! You'll get to have your very own backstage pass! Start now and take action! Scroll to the top of the page and click BUY NOW
