

## Black Magic Woman (Morris and Chastain Investigations Book 1)

Occult investigator Quincey Morris and his consultant, white witch Libby Chastain, are hired to free a family from a deadly curse that appears to date back to the Salem witch trials. Fraught with danger, the trail finds them stalking the mysterious occult underworlds of Boston, San Francisco, New Orleans and New York, searching out the root of the curse. After surviving a series of terrifying attempts on their lives, the two find themselves drawn inexorably towards Salem itself - and the very heart of darkness. Black Magic Woman marks the start of an electrifying news series of supernatural thrillers following the exploits of occult investigators Quincey Morris and Libby Chastain, as they search out evil in the darkest corners of America. Justin is a first class writer; hes smart and hes fun, he moves quickly and he takes corners at speed. Every time you think you know where hes going, he makes a point of going somewhere else. His characters are sharp and vivid, his dialogue crackles with wit and tension, and when it comes to the scarier corners of the magical underworld, he knows his stuff. - Simon R. Green, New York Times best-selling author of the Nightside series Jim Butcher, author of the Dresden Files novels Black Magic Woman is the best manuscript Ive ever been asked to read. Keep your eye on Justin Gustainis.
