

The Return of the King: The Lord of the Rings, Part 3: Return of the King Vol 3

Concluding the story of The Hobbit, this is the final part of Tolkiens epic master piece. Impossible to describe in a few words, JRR Tolkiens great work of imaginative fiction has been labelled both a heroic romance and a classic fantasy fiction. By turns comic and homely, epic and diabolic, the narrative moves through countless changes of scene and character in an imaginary world which is totally convincing in its detail. Tolkien created a vast new mythology in an invented world which has proved timeless in its appeal.
