Regularly priced at \$3.99\*\*\* Parents who are in the military are often stressed when they are to be deployed. Children in the family may not understand the situation and their feelings may not be addressed under these circumstances. It is up to us as parents to make sure our children feel safe and secure before and after deployment. In this book, we will address this issue and provide an in-depth analysis of our childrens feelings, their symptoms of stress, and methods of helping them cope. This will ensure that your child will be well prepared for the upcoming months or years that the parent may be gone for. Heres a Preview of What You Will Learn \* Statistics on how deployed parents affect children \* How to handle your partner and your child's feelings \* Recognizing stress in children \* How to prepare yourself first, before looking after others \* Dealing with a child during the deployment \* How to prepare for the return of the soldier parent \* Tips on being resilient **DOWNLOAD YOUR COPY TODAY!** Comments from Other Readers... My husband was fighting in the Iraq War a few years ago. Since hes come back, its never been the same between my daughter and him. Though this book cant help me now, Im glad its available so others can benefit from it - Alice F. (Boston, USA) Wars are tough on the mind and body. Imagine how difficult it is for a child who has to worry about their mom or dad day and night. This book gives some excellent lessons on how to handle your child. Highly recommended! - Norton Sultz (Salt Lake City, USA) My husband is being deployed soon, and Ive taken steps learned from this book to calm my child. I feel its really working and that my son understands what is going on. Thanks Jamie Bauer for helping us out. - Louise M.
