

X-Men: Second Coming (X-Force Volume Book 6)

Collects X-Men: Second Coming (2010) #1-2, Uncanny X-Men (1963) #523-525, New Mutants (2009) #12-14, X-Men: Legacy (2008) #235-237, X-Force (2008) #26-28. What started in HOUSE OF M with the Decimation of mutantkind and erupted with the first new mutant birth in MESSIAH COMPLEX finishes here. In the epic crossover SECOND COMING, Cyclops' faith pays off when Cable returns to the present with Hope, the girl he believes to be the mutant messiah. But will she be the savior or destroyer of mutantkind? We may never know, as she is the target of an initiative for mutant eradication unlike anything the X-Men have ever experienced. Many will be wounded. Several will die. Is Hope worth it?
